

DRACON-ELTRON

Soldering & Cleaning Workstations

Our Knowledge for you

Workstations

- Select aluminium production tables ESD and non ESD customized
- MPI height adjustable tables
- Robuste II steel production tables fixed dimensions ESD and non ESD
- Robuste I worktable ESD and non ESD standard dimensions
- RVS cleanroomtable to class 1
- Side tables and trollies

Chairs

- ESD safe chair with or without arm rests
- Standard workstation chairs
- Cleanroom chairs to class 1

Cabinets

- Drawer Cabinet for Component storage
- Tool Cabinets
- Clothing Closets
- Sit over (step over) benches
- Lockers

Workstation

Side table

Chair

Cabinet

Measure work Elegance in the electronic industry

Beside soldering and cleaning solutions **Dracon-Eltron** offers 8 technology groups with product lines and services which make production and your product more reliable and more efficient. We offer you within these core areas an optimum of service.

- **Connection:** cable- en PCB connectors, cable assembly and hotmelt overmoulding.
- **Mechanics:** servo-motors and servosystems, micromotors, transmissions, power supplies and special connectors.
- **Printing/Identification/Power:** POS, kiosk and thermal printer mechanisms, lcd, card readers, power supplies, PTC heaters and specials.
- **Soldering and cleaning:** usage material; solder material, cleaning towels and swaps, brushes and protection materials. PCB-services for cleaning and coating.
- **Plastics:** connection products, enclosures, cables, cable guides, shrink sleeves, PCB spacers.
- **Machines:** Machines for cable processing industry such as stripping, cutting, winding and overmoulding machines. PCB-production and rework such as cut and bending machines, soldering station, equipment for dispense and rework.
- **EMC/EMI:** We help to minimize the impact of electromagnetic interference. Depending on the application and the possibilities we thereby apply technique as filtering, grounding, shielding and absorption. One after the other sophisticated techniques which ask for an in-depth recommendation.
- **Tools and workstation:** We gladly advice you the correct tool and the optimum workshop institution for your production and application.
